## THE DIRECTOR OF CENTRAL INTELLIGENCE

National Intelligence Council

21 December 1982

Mr. Hugh Montgomery Director, Bureau of Intelligence and Research Department of State Room 6531 Washington, D.C.

Dear Hugh:

Attached is my proposed summary/key judgments for the estimate on the reliability of the Eastern Europeans that I mentioned to you today. When you read it you will see why leaving this to the tender mercies of the normal process will not produce the key judgments I think are warranted. After you have read it, perhaps we can talk. I will be away from Thursday evening until the 3rd of January, so let's talk on Thursday or early in January.

Sincerely,

Henry S. Rowen Chairman

This is the paper I mentioned to you last night. This is my version. It will be quite a struggle within the Community to get anything close to this out.
